Newmarket-Tay Power Distribution Ltd. applied to lower its electricity distribution rates effective May 1, 2017.

Learn more. Have your say.

Newmarket-Tay Power Distribution Ltd. applied to the Ontario Energy Board to lower its electricity distribution rates effective May 1, 2017. If the application is approved, a typical residential customer of Newmarket-Tay Power Distribution Ltd. would see a decrease of approximately \$6.71 per month. Other customers, including businesses, may also be affected.

The requested rate decrease is set using an OEB-approved formula which is tied to inflation and other factors intended to promote efficiency. The rate decrease also includes Newmarket-Tay Power Distribution Ltd.'s request to refund to customers a balance in a deferral account.

THE ONTARIO ENERGY BOARD WILL HOLD A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider Newmarket-Tay Power's request. We will determine whether the company has used the applicable models and formulas required by the OEB and whether to approve Newmarket-Tay Power's request to refund a balance in a deferral account. We will also hear questions and arguments from individual customers and from groups that represent Newmarket-Tay Power's customers. At the end of this hearing, the OEB will decide what, if any, rate changes will be allowed.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

BE INFORMED AND HAVE YOUR SAY

You have the right to information regarding this application and to be involved in the process.

- You can review Newmarket-Tay Power's application on the OEB's website now.
- You can file a letter with your comments, which will be considered during the hearing.
- You can become an active participant (called an intervenor). Apply by December 5, 2016 or the hearing will go ahead without you and you will not receive any further notice of the proceeding.
- At the end of the process, you can review the OEB's decision and its reasons on our website.

The OEB intends to consider cost awards in this proceeding that are in accordance with the *Practice Direction on Cost Awards* and only in relation to Newmarket-Tay Power's proposed clearance of the balance in Deferral Account 1576 of \$6,382,286.07 as at December 31, 2015 as a refund to customers over a one year term.
